24/7 AUTONOMOUS SALES & AI INFRASTRUCTURE

Capturing High-Ticket After-Hours Clients Directly to WhatsApp.

Bespoke, lightning-fast digital experiences equipped with an autonomous 24/7 Sales Concierge tailored for Ultra-Luxury Real Estate Advisors, Aesthetic Dermatology Practices, and Cosmetic Dental Studios.

⚠️ THE REVENUE DEFICIT: AFTER-HOURS ABANDONMENT

62% of affluent buyers and premium patients browse websites after 8:30 PM on mobile. When they encounter static 5-field inquiry forms or a message saying *"Our office hours are 10 AM - 7 PM"*, they abandon the site immediately. For ₹5 Cr – ₹30 Cr properties or ₹1 Lakh+ surgical packages, a single missed evening inquiry represents direct revenue loss.

✨ THE SYNAPTILUX SOLUTION: 24/7 INSTANT INTAKE

Synaptilux Labs installs an intelligent, branded AI Sales Concierge into your existing website in 5 minutes. It answers complex inventory, floor-plan, and procedure questions in natural conversation, qualifies the buyer's budget and timeline, and **delivers verified VIP leads directly to your personal WhatsApp** in real-time.
